MISSION STATEMENT

Connecting those in need with those who care. Tempe Community Council does this by; convening community, conducting research, determining priorities, implementing effective programs and exemplifying prudent stewardship of resources.

HISTORY

For nearly 30 years, Tempe Community Council (TCC) has managed and administered the allocation of human service dollars by the City of Tempe to local nonprofit human service organizations. Resources are allocated to the organizations through a volunteer, citizen-based review process called "Agency Review." Final funding decisions are made by the Tempe City Council.

RESOURCES

Agency Review funds come from the City of Tempe General Revenue Fund, Federal Community Development Block Grants and voluntary water utility customer donations through Tempe's Help to Others. Total funds allocated are over \$600,000 to approximately 35 Valley-wide agencies serving Tempe clients. For a detailed list of agencies which are funded through this process please refer to our website at:

www.tempecommunitycouncil.org/nonprofit-partners/

HELP US SUPPORT OUR MISSION

TCC is seeking volunteers interested in participating in this review process. Agency Review is a rewarding and valuable experience which provides an unique perspective on the needs of our community. The average time commitment includes three to four days between November and March, in addition to individual proposal reading time.

APPLICANT AGENCY REQUIREMENTS

Eligible human service organizations must have 501(c)(3) status and deliver human services (TCC defines "human services" as programs/services for clients who are economically disadvantaged or become economically challenged through unexpected life circumstances) to clients and residents in Tempe.

CONTACT

If you are interested in participating in this volunteer experience and live or work in Tempe, please contact TCC Community Impact Manager, Caterina Mena, at caterina_mena@tempe.gov or visit our website at:
