honorees

Kerry Fetherston is known for her can-do attitude, contagious spirit, for always going the extra mile, and inspiring others to commit to positive change. Kerry was president of Kiwanis Club of Tempe, where she actively supported efforts like the 4th of July Tempe Town Lake Festival, back to school shopping for Boys & Girls Club kids and the Fantasy of Lights Parade. Kerry is an outstanding development professional and fundraised for several local nonprofits - providing vital services for people in need. For several years, she was the machine behind the Mayor's Run and helped that event raise \$1.2 million for local charities. Kerry suffered a debilitating stroke in December of 2011; however, her spirit and positive attitude through her rehabilitation have inspired a whole new group of people, and have reenergized her friends and colleagues to take up her torch. Kerry truly exemplifies all that is great about living in Tempe. An ordinary person, doing extraordinary things by joining with neighbors and friends to make life a little easier for others is the essence of the humanitarian effort.

Ramsey
Social Justice
Foundation

Decades ago, Jenny Norton and Bob Ramsey formed the Ramsey Social Justice Foundation to provide grants and financial assistance to underrepresented communities, here and abroad. The Foundation collaborates with countless organizations to support health care projects, provides training for emergency service workers, funds multiple educational grants and scholarships, and supports charitable efforts toward global sustainability and care for the homeless, hungry and helpless.

SPIRIT OF
TEMPE KARMA

Margaret
& Robert
Hunnicutt

Together this spirited couple has contributed over 1,500 hours over the past 10 years providing free tax preparation to low income individuals and families through TCC's Financial Stability Initiative. The hours that they contributed brought over \$600,000 back to our taxpayers and our community! This is only a part of their impact, as Margaret and Bob have helped to shape the culture of giving throughout Tempe.

YOUNG
HUMANITARIAN
SCHOLAR

Aaron
Whiteley

Aaron is currently in his first year at Arizona State University. In high school, his coursework included all advanced placement and honors courses, and he ranked in the top five percent of his class. He was the vice president of his school's chapter of Best Buddies, and helped weekly at the Special Olympics. At ASU, he is involved in Best Buddies and a Spanish club, through which he attends a free medical clinic to help translate for the doctors.

don carlos history

Charles Trumbell Hayden was one of Tempe's founder and a great humanitarian. "Don Carlos," as the Spanish pioneers affectionately called him, was known across Arizona for the assistance he provided to people in need. Presented annually, by Tempe Community Council, the Don Carlos Humanitarian Award is considered one of Tempe's most prestigious distinctions.
