SERVE ON TEMPE'S VOLUNTEER HUMAN SERVICES AGENCY REVIEW PANEL

For over 35 years, Tempe Community Council has managed and administered the allocation of City of Tempe human service dollars to local nonprofit human service organizations. The City of Tempe welcomes and supports the community's involvement in making recommendations to best allocate these monies and serve the needs of Tempe. Each year, citizens and community members review fund request applications, interview the agencies, make fund distribution recommendations to City Council, and attend agency site visits.
