Big Brothers Big Sisters of Central Arizona

TEMPE COMMUNITY BASED MENTORING PROGRAM

PROGRAM INFORMATION

Creates and supports one-to-one mentoring relationships that ignite the power and promise of Tempe youth. The program guides high-risk, low-income children to become productive members of the community by learning from the positive examples set by professionally-trained mentors.

PROGRAM GOALS

- Increase one-to-one mentoring services for at-risk youth in Tempe.
- Increase self-confidence, academic outcomes, and school retention rates among at-risk Tempe youth.
- Decrease high-risk behaviors such as drug and alcohol use among Tempe youth as compared to their non-participating peer groups.

AGENCY INFORMATION

Big Brothers Big Sisters' of Central Arizona (BBSAZ) mission is to provide Arizona children facing adversity with strong and enduring, professionally supported, one-to-one mentoring relationships that change their lives for the better. BBBSAZ focuses solely on facilitating mentoring relationships between adults and at-risk youth in the community. They match children ("Littles"), ages 6-18, with caring, responsible adult mentors ("Bigs") who provide friendship, support, guidance, tutoring, and a fundamental basis of trust and compassion which so many of these children lack in their personal lives.

SERVICES OFFERED

- STARS - for children with an incarcerated parent; connects with positive role models
- Native American mentoring
- Big Futures SUCCESS: supplemental college and career readiness program
- LGBTQ mentoring

La Frontera EMPACT Suicide Prevention Center

BUILDING RESILIENCY IN YOUTH

PROGRAM INFORMATION

School-based primary prevention program which offers practical skills for helping children learn how to think through and resolve everyday conflicts. Children learn interpersonal cognitive problem-solving skills including the ability to identify a problem; recognize thoughts, feelings and motives that generate interpersonal problem situations; generate alternative solutions to problems; and consider the consequences for these solutions. Weekly lessons are offered using games, didactic discussion, role-playing, and group interaction to teach children communication and problem-solving skills and the thought processes necessary for good decision-making. The program was converted to a virtual format to accommodate COVID-19 restrictions.

PROGRAM GOAL

To increase children's resiliency by promoting skills that decrease inhibited classroom behavior, increase problem solving, and improve positive, pro-social behaviors and healthy relationships with peers.

Lost Our Home Pet Foundation

REDUCING BARRIERS TO HUMAN SERVICES

PROGRAM INFORMATION

A community partnership with The Arizona Pet Project to remove barriers associated with pet-ownership allowing families to access lifesaving services and housing.

PROGRAM GOAL

Increase access to temporary shelter, transitional housing, and permanent housing for program participants (homeless, victims of domestic violence, and low-income Tempe residents with pets). Tempe participants with housing and/or financial insecurity will have received financial help to offset pet expenses (pet medical and/or pet food) so other monies can be used for basic needs, such as food or rent.

AGENCY INFORMATION

Lost Our Home Pet Rescue (LOH) and The Arizona Pet Project's (AZPP) missions are focused on supporting and improving the physical, social and emotional health of the entire family, both two and four-legged, with a focus on supporting Maricopa County's most vulnerable residents including those struggling with homelessness, housing and food insecurity, domestic violence, physical and mental disabilities, health crises, addiction, and systemic poverty. Together, Lost Our Home and The Arizona Pet Project remove barriers associated with pet-ownership allowing families to access life-saving services and housing.

SERVICES OFFERED

- Weekly support groups to provide a safe place where survivors can share experiences and support each other in their healing journey.
- Individual support to help clients who are new in their grief and not yet able to join a support group due to their current emotional state.

Tempe Community Action Agency

COMMUNITY ACTION PROGRAM

PROGRAM INFORMATION

Tempe residents experiencing a short-term financial crisis and facing the possibility of homelessness seek emergency rent/mortgage and/or utility assistance through Tempe Community Action Agency's (TCAA) Community Action Program (CAP). City of Tempe funds benefit Tempe households that do not qualify for CAP services through TCAA's other funding sources. Clients seeking CAP services benefit from their ability to access multiple TCAA programs including food boxes, education and employment assistance, pre- and post-natal care and health outreach services, emergency shelter, and support for seniors.

PROGRAM GOAL

Reduce the likelihood of homelessness among adults and families experiencing a financial crisis. This will be accomplished by preventing eviction and foreclosure during a time of crisis; preventing utility disconnects during times of crisis; and reducing the likelihood of a repeat crisis in the future.

AGENCY INFORMATION

Tempe Community Action Agency fosters dignity and self-reliance in the economically vulnerable within the communities they serve. Their mission is carried out through five areas of focus: housing security, hunger relief, senior independence, healthy families and economic stability. TCAA operates Tempe's largest hunger relief effort; I-HELP—Tempe's sole emergency shelter; Community Action Program (emergency rent/utility assistance); services designed to promote senior independence including in-home support and nutritious, prepared meals; Health Start; Economic Advancement Program using a financial opportunity center model; and two community gardens including Escalante and Clark Park gardens.

SERVICES OFFERED

Tempe Community Action Agency

SENIOR NUTRITION PROGRAM

PROGRAM INFORMATION

Addresses food insecurity in vulnerable adults living in Tempe. The program offers several choices including food box delivery, transportation to the grocery store and TCAA's Food Pantry, and prepared meals in the form of a congregate meal at Tempe senior centers or packaged meal delivered to the home of homebound adults. The program serves low-income adults with disabilities (age 18 and older) and older adults age 50 and up.

PROGRAM GOAL

Increase access to food and improve food security for Tempe adults who are economically disadvantaged. With greater access to the food they need, the program will also improve the ability of participating adults to remain independent.

AGENCY INFORMATION

Tempe Community Action Agency fosters dignity and self-reliance in the economically vulnerable within the communities we serve. Their mission is carried out through five areas of focus: housing security, hunger relief, senior independence, healthy families and economic stability. TCAA operates Tempe's largest hunger relief effort; I-HELP—Tempe's sole emergency shelter; Community Action Program (emergency rent/utility assistance); services designed to promote senior independence including in-home support and nutritious, prepared meals; Health Start; Economic Advancement Program using a financial opportunity center model; and two community gardens including Escalante and Clark Park gardens.

SERVICES OFFERED

Light breakfasts and congregate lunchtime meals are served at the Senior Center sites operated by TCAA. The congregate meal service offers nutritional food and the company of others, benefiting older adults, adults with disabilities, and their guests. TCAA's home-delivered meal service provides home-bound seniors and adults with disabilities the comfort and security of a hot, nutritious meal and a daily well-being visit with a dedicated TCAA staff or volunteer.

Tempe Impacts Education Foundation

CONNECTING WITH KIDS

PROGRAM INFORMATION

A service center that provides everyday essentials for Tempe Elementary School District students and their families living at or below poverty level so the children can be ready to learn.

PROGRAM GOAL

Families with limited economic resources who have children attending Tempe Elementary School District have access to resources needed for them to come to school ready and able to learn and achieve.

AGENCY INFORMATION

The Tempe Impacts Education (TIE) Foundation was established in 1990 to provide extraordinary opportunities to the children of the Tempe Elementary School District. Although children receive a strong basic education in Tempe, Arizona's funding formula is one of the lowest. Consequently, children are deprived of experiences children in other states receive as a matter of course. The TIE Foundation works to make up for some of these deprivations. The goal of the TIE Foundation is to enrich and enhance Tempe Elementary School District's commitment to excellence. TIE's caring volunteers collaborate with community groups to foster excellence in the school district, its students, families and educators by securing resources to empower them to successfully accomplish their goals.

SERVICES OFFERED

The centrally located service center offers needed essentials for students so they can be ready to learn including backpacks and school supplies, clothing, school uniforms, shoes, glasses, and personal hygiene items such as toothbrushes and toothpaste. Dental emergency services, copayments for medical, medicine, vision and emergency food supplies are also available.

UMOM New Day Centers

FAMILY EMERGENCY SHELTER

PROGRAM INFORMATION

Provides help to Tempe families to become stabilized, so they can gain, obtain and maintain permanent housing. In addition to housing, each family will receive case management focused on individualized goals to help end their homelessness. UMOM's formula to success is housing + income = ending homelessness. This combined approach sets up clients to self-resolve their homelessness than a traditional approach to shelter and housing that does not have an integrated workforce development component.

PROGRAM GOAL

- 75% of emergency shelter clients will exit to permanent housing.
- 90% of adults will be connected to mainstream benefits in their community at program exit.
- 60% of adults will maintain or increase total income at program exit (earned income plus other income sources).
- Average length of stay in shelter = 120 days or less.

AGENCY INFORMATION

Founded in 1964, UMOM is Arizona's largest provider of services for families experiencing homelessness. Their mission is to prevent and end homelessness with innovative strategies and housing solutions that meet the unique needs of each family and individual. UMOM serves over 18,000 individuals across their services annually, including those families receiving support at the Family Housing Hub, Maricopa County's family coordinated entry system. UMOM believes everyone deserves the opportunity for a better life. They do not manage homelessness: they end homelessness.

SERVICES OFFERED

Families residing at UMOM, are provided intensive individualized client support including 1-on-1 case management; employment services to secure and maintain employment; advocacy with property management companies, landlords, courts, and partnering agencies; and connection to community resources. While residing in shelter, all family members have access to additional services including food, medical care, and childcare.
