

IMPACT PARTNERSHIPS

2026-27

INVEST IN COMMUNITY IMPACT THROUGH ANNUAL GIVING

For more than five decades, Tempe Community Council has served as a trusted community partner, bringing together nonprofits, businesses, volunteers, and community leaders to improve lives and create lasting community impact.

Invest in a Stronger Tempe

Every day, families face challenges that no single organization can solve alone.

Together, we connect people with programs and resources that strengthen families, support children and older adults, encourage volunteerism, and improve quality of life.

As an Annual Impact Partner, your investment helps make this work possible while demonstrating your or your organization's commitment to a stronger Tempe.
